

The Middle East's 30 Biggest Asset Managers 2021

Forbes Middle East

Waha Capital has been featured in **'The Middle East's 30 Biggest Asset Managers 2021' by Forbes Middle East.**

This is the first time this list has been compiled by Forbes Middle East. This prestigious list includes the biggest asset managers from Saudi Arabia, United Arab Emirates, Bahrain, and Egypt. Only asset managers based in the Middle East were considered. The information was collected independently by Forbes Middle East and Assets Under Management (AUM) was one of the key financial metrics that was measured.

Waha Capital is listed on the Abu Dhabi Securities Exchange and invests in both local and international markets.
